Remarkable March Rains Boost West Texas

Usually when March starts in this West Texas land, there is plenty "stirring" and it is not water either. But this Thursday, March 27, 1941, we again get to see the sunshine after a prolonged hiding behind weeping watery clouds. Rains have been so common this year till it is almost embarrassing to call it NEWS. But whoever saw so much rain in this country that it is not appropriate to be called news?

Since March the first more than two inches of rain has soaked down every uncovered inch of this country. Even some farmers are complaining that they are getting behind with plowing. They fail to tell us that their cotton was caught in the fields by the rains and instead of plowing, they were still picking (some were that way).

Maybe nobody ever saw wheat look so rich as it does now. It now looks as though a big wheat crop will be made. This is to be West Texas' greatest wild flower year. Not since 1914 has there been such favorable seasons for our famous wild flowers. And grass! It will be easy to pasture stock this spring. Warm winter weather has prevailed and even a month ahead of time good grazing will be ready for stock.

Hamlin people have the best chance in our history for beautifying their yards with grass and flowers. Hamlin now boasts of the best grade of water to be found in any city in Texas, and plenty of it, gravitating right to the pump station without cost of pumping. That is something to be proud of.

So to keep the "Record" straight, here's telling you the Hamlin country has gone wet by a big majority, even in March.

A BABY DAUGHTER

Dr. and Mrs. Q. Don Gould are parents of a daughter, Brenda Kay, weight 7 1-4 pounds, born Saturday morning, March 22, at the Stamford Hospital. The young lady and her mother are expected home Friday, (today).

Mrs. J. W. Wendell is at home after an extended visit with her daughter, Mrs. Varner and family, in Arizona.

Mt. Zion Church Begins Revival

Rev. Jack D. Welty, of Bethany, Okla., began a meeting at the Mt. Zion Church of the Nazarene west of town last Wednesday night, March 26. There will be services each night at 8:00 o'clock, and at 11 A. M. and 8 P. M. on Sundays. The meeting is scheduled to close Sunday, April 6.

The singing will be in charge of local talent.

On Sundays, Bible School at 10:00 A. M. and N. Y. P. S. at 7:30 P. M. Everyone is invited.

School Trustee Election Notice

Be it ordered by the board of trustees of Hamlin Independent School District that an election be held at the High school building in said Hamlin Independent School District on the 5th day of April, 1941, for the purpose of electing three School Trustees for said Hamlin Independent School District.

The returns of said election shall be made to the Board of Trustees of said Independent School District in accordance with law.

A copy of this order signed by the president and attested by the secretary of this board shall serve as proper notice of said election, and the president shall cause notice of said election, to be given in accordance with law.

In testimony whereof, witness the signatures of the President and Secretary of said Hamlin Independent School District, hereunto affixed this twenty-fifth day of March, 1941.

Thos. Teague, President
Hamlin Independent School District
Attested:

Dr. Joe W. McCrary, Secretary

RABBIT DRIVE

There will be a rabbit drive at Hitson, Monday, April 1st. Meet at the store at 9:00 o'clock. Basket lunch at noon.

Death Claims Father Of Hamlin Women

The many friends of Mrs. Fred Hulse and Mrs. G. J. Brown of this community sympathize with them in the loss of their father, E. D. Henson, who died at a Brownwood hospital on Wednesday of last week.

Their father had been in the hospital about one week from a major operation.

Mr. Henson was a pioneer of the Crosscut community in Brown County. He was 75 years of age and a native of Tennessee.

Besides the two daughters and their families of Hamlin attending the funeral, a number of their neighbors and friends from the General Crude station and others were there.

Mrs. Hulse and Mrs. Brown and their families appreciate the many expressions of sympathy and kindness shown them in their sad hour.

Elementary P.-T. A. Meets Thurs., April 3

Thursday, April 3, at 3:45 P. M. is the next date for the Elementary P.-T. A. at the school building.

The program is short.

Entertainment will be by the sixth grade.

Mrs. Otis Hopper will talk on "Better Trained Parents." Mrs. Fred Carpenter will talk on "Family Good Times."

CUB 43 KITE CONTEST TODAY

Cubs of pack 43 will meet in the City Park Friday, March 28, after school where they will have a kite flying contest.

Parents are urged to come with their sons and bring sandwiches or weiners for a picnic lunch following the kite flying. Awards will be presented to the cub making the smallest kite that will fly, and also the cub flying his kite the highest in a given period of time.

Boy Scout Leaders To Meet In Anson 31st

Scout and cub leaders of Jones County will assemble in the Anson High School auditorium Monday, March 31, at 7:30 P. M. for a training institute.

After a few brief remarks from L. C. Haugness, scout executive of the Chisolm Trail Council, the group will be divided into three discussion sessions.

All cub masters, den mothers and den chiefs will discuss the outdoor program for cubs and "Ways to Improve the Cub Den and Cub Pack." J. B. Vogel, field executive, will be in charge of this group. Mr. L. C. Haugness will discuss with troop committeemen and district officers their part in the camping and activities of the troop.

W. R. Postma, field executive of Coleman, will meet with the scoutmasters and assistants. Mr. Postma's subject will be "Camping With the Scout Troop."

All other men and women interested in any phase of the Boy Scout program are invited to attend this first meeting in a series of five meetings to be held in Jones County.

Another Rabbit Drive

TWO DAYS of rabbit killing is announced for Tuesday, April 1, and Wednesday, April 2, at McCaulley. The first day the drive will start at McCaulley and drive Southwest till noon and back to the McCaulley Tabernacle for dinner. In the afternoon the Southeast area will be covered in like manner.

Wednesday the "shooters" again start at McCaulley and swing Northwest and back again for dinner and in the afternoon take out on the Northeast swing.

Better be on hand each starting day at 8:30 A. M.

If you can shoot, come, but be careful.

COMMUNITY POLITICS

EDITORIAL

Perhaps it is truly a fact that when community politics does not attract the community-wide interest to the point of general discussion, "Happy Is That Community," and so as Hamlin merges upon a couple of community elections, everything is as calm and contented as a gentle summer breeze.

Hamlin perhaps should be complimented. Everything seems regular and just what everybody wants, in both the affairs of the City and School government.

But the law calls for new members of the City Council and the School Board every two years. This is very well and good. This recurrence of elections permits the people a chance to keep the community government within the hands of the voters.

Serving on City Councils and School Boards are unpaid types of citizenship.

Not many of us really know much about our own community affairs. Most of us prefer to dig down and pay whatever is demanded and ask no questions. We do not even ask how much are the totals and who gets and why.

Most of us occasionally discover some item in the community that we do not like or understand. We growl and grumble about it when not in the presence of the elected authorities. Some of us see things that are done that should not be done, maybe, and a lot of important things that are not done that ought to be done.

Regardless of who serves on the boards, the general citizenship is not left without responsibilities in community affairs. But so often a citizen prefers not to talk in order not to offend. It is easier to take it than to kick about it. So time goes on. If a Hamlin citizen has a visitor from some prim and well kept city

or community, apologies are hastily made about what is seen or permitted in Hamlin, or the subject is shunted quickly. It is too late to get started after so much time has been lost.

Many community boards never find out just what is expected of them, and this applies to both city and school. It is hard to know how a board is serving, till something has been done that displeases.

It is almost alarming to realize how little most of us know about our own front-door affairs. Next Tuesday Hamlin voters are to elect two aldermen. Now how many know the personnel of the City of Hamlin? There are many things we do not know.

On the 5th of April, the first Saturday, there will be a school trustees election. How many to be elected? Whose term expires; who are on the board, who is the president, and who is the secretary? How many votes do you guess will be cast on Saturday, April 5th?

If you were called upon to suggest to the City Council some things in their reach to do for Hamlin, what would you have on your mind? Government begins at home, and your home stops where city property begins. But there is a relation. City and school property does not make your home but your home and its demands makes the city.

The less interest one takes in his community politics, the less he should grumble when something goes in a way he does not like. Too much agitation may not be best but sensible interest is good government.

Malouf's Dry Goods Puts On Campaign

In this week's Herald a big two-page spread of "Store News" will be seen offering a unique plan of "Trade Expansion." Mr. Malouf has been in Hamlin a little less than one year now and he has proved a merchant wide awake to the trade possibilities in this community.

It is a truism that a community holds its own in proportion to the manner and extent of its merchants' efforts to supply their customers. In this connection, the Herald also wants you to see how wide-awake are the merchants of Hamlin this week. Not only the one using two big illustrated pages, but others.

It is a peculiar thing with readers of a newspaper . . . they like to see varied and well arranged advertising. So if you will take the time you will see merchandise news in this week's Herald . . . dry goods, groceries, automobiles, and so on.

Tipton's Car Burned Last Sunday Night

The new fire pumper got a try-out for a little while Sunday night.

A. T. Tipton had not been in his home on Hope Avenue but a little while after returning from his church, till fire was discovered in his garage.

By some means, a fire started in the back seat cushion of his car.

A REPORT to America

The Ford Motor Company's business has always been to serve the needs of the American people. In providing them with low-cost transportation for the past 38 years, we have developed one of the country's largest and most useful industrial units. During a national emergency, we feel that these facilities should be devoted without reserve to our country's needs. Toward that end we started rolling months ago, with these results:

1 A \$21,000,000 Ford airplane engine factory, started only 6 months ago, is nearly completed. Production will start with an initial order for 4,236 eighteen cylinder, air-cooled, double-row, radial engines.

2 We are building a new \$800,000 Ford magnesium alloy foundry, one of the few in the country. It is already producing lightweight airplane engine castings.

3 Army reconnaissance cars — military vehicles of an entirely new type — are rolling off special Ford assembly lines at the rate of more than 600 a month. We have produced Army staff cars and bomber service trucks.

4 The government has given the "go-ahead" and work is now under way for the fast construction of an \$11,000,000 Ford plant to produce bomber airplane assemblies by mass production methods.

5 Several months ago work was started, on our own initiative, on an entirely new 1500 horsepower airplane engine especially designed for mass production. This engine is now in the test stage and plans are being developed for producing it in large quantities when and if needed.

6 A Ford aircraft apprentice school has been established, to train 2000 students at a time.

That is a report of progress to date.

The experience and facilities of this company can be used to do much of the job which America now needs to get done in a hurry.

Our way of working, which avoids all possible red tape, enables us to get results and get them fast. This benefits users of our products and workers who produce them.

We are ready to make anything we know how to make, to make it to the limit of our capacity if need be, to make it as fast as we can go, and to start the next job whenever our country asks us to. And to this end, we know we have the full confidence and loyal support of the workmen throughout our plants.

Visit The Soldier Boy, Camp Bowie

Camp Bowie, March 19.—Relatives and friends of men quartered in Camp Bowie who feel that they may never get the opportunity to see just how the young men of the Thirty-Sixth Division live are provided with a very comfortable quarters under just such conditions.

The Guest House, equipped with the same type of cots, mattresses, blankets, sheets and other bedding, is open to visitors. The only difference between the quarters there and those of the men is that the guest house is a frame building whereas the soldiers are quartered in walled tents. Mother and Dad may come down, spend the night in Camp Bowie and know they have occupied the same type beds as their sons.

Reservations are made by addressing the Senior Hostess, Camp Bowie, Texas. Rates are \$1 per night for one person or \$1.50 for two. Each room is equipped with two cots.

Guests are allowed to stay two nights on week ends and one night through the week. This rule, however, is altered in the case of a person who has a relative seriously ill in the hospital.

A guard is maintained at all times. His duties are to answer questions and otherwise aid the visitors. The reading room is open but the cafeteria is not functioning yet due to lack of equipment. Guests may be informed of bus or train schedules from hostesses, may find and get word to soldiers they wish to visit and arrange to meet them at the Guest House.

Rules of the Guest House are the same as those governing the remainder of the camp. Guests must return to camp by taps each evening.

Notice to The Public

We are not and will not be responsible for any bills or accounts contracted by any employee or person representing himself to be our employee or agent, unless said bill or account is authorized by valid purchase order signed by our Superintendent, Jack Hawkins.

Miss Dorothy Faye Elkins Becomes Bride Of Mr. Pete Holitzke

The marriage of Miss Dorothy Faye Elkins, daughter of Mr. and Mrs. W. C. Elkins of this city, and Mr. Pete Holitzke, son of Mr. and Mrs. Holitzke, of Dayton, Texas, took place Tuesday morning, March 25, at 9:30 o'clock in the Church of Christ. The single ring ceremony was read by the pastor of the church Minister Luther Savage in the presence of the family and a few intimate friends.

The bride wore a dress and hat of heavenly blue with a pottery rose coat and black accessories. Her flowers were white carnations fashioned into a shoulder corsage. Her only attendant, Miss Bernice Beard, wore a dusty pink frock with white accessories.

Mr. Holitzke was attended by Raymond Elkins, brother of the bride.

Immediately following the ceremony, the couple left for a brief wedding trip to Eddy, Texas, and from there will go to Dayton, where they will make their home.

Mrs. Holitzke was a popular member of the 1940 graduating class of the Hamlin High School, and was an enthusiastic leader of the pep squad during her junior and senior years.

Mr. Holitzke is in the employ of the General Crude Oil Company and has been employed in the Hamlin oil fields since last July.

Three Are Hostess For Class Meeting

Mrs. Paul Baucum, Mrs. H. V. Brown, and Mrs. Alton Clemmer entertained the Alathean class with a party at the home of Mrs. Baucum on Thursday afternoon.

Games were played, after which refreshments were served to Mmes. J. L. Keen, E. J. Whaley, John C. Jenkins, Theron Rogers, O. G. Harvey, G. P. Odom, Paul Baucum, H. V. Brown, and Alton Clemmer.

Mrs. L. H. McBride Hostess to Club

Members of the Trece Senoras Club and a few invited guests were entertained Tuesday of the past week in the home of Mrs. L. H. McBride with games of bridge. Mrs. Landon Davis made high score for club members and Mrs. Otis Cockran scored high for guests.

Following the games, a salad course with hot punch was served.

Jerry Waggoner was host to a group of friends in his home Tuesday evening, March 18, entertaining with a St. Patrick party.

Vases of white stock decorated the entertaining rooms where a color theme of green and white was emphasized.

Various games were played after which refreshments consisting of roasted Irish potatoes, Shamrock ice cream and angel food cake were served.

Those present were Billie Chambers, Dora Joyce Culbertson, Dorothy Jean Holing, Lula Mae Hampton, Jeanette Johnson, Gernine Johnston, Elizabeth Butcher, Diane Carlton, Wanda Lane Jones, Anna Margaret McBride, Dickie Elam, Wayne Gibson, Ray Coles, Don Magee, Don Petty, Sammie Joe Vaughan and James Sedberry.

Assisting Mrs. Waggoner in entertaining were Mrs. Ross Fomby, Miss Bernice Gilmore, and Mr. Jeffries.

Mrs. Waggoner Entertains Colonial Contract Club

Mrs. Frank Waggoner entertained the Colonial Contract Club, Tuesday afternoon, March 18, in her home on Union Avenue.

White stock and red cyclamen were used for decorations in rooms where games of bridge were played. A salad plate with coffee was served.

Those playing were Mmes. J. E. Moody, Elmer Feagan, Paul A. Fowler, Joe Culbertson, Holly Toler, B. M. Brundage, Stanley Carmichael and the hostess.

Methodist Women Hold Business-Social Meeting

"Sharing for for the Health of the World" was the theme of the program of a meeting of the Woman's Society of Christian Service, Monday afternoon, in the home of Mrs. Otis Hopper. Co-hostesses with Mrs. Hopper were Mrs. Fred Carpenter and Mrs. R. W. Stubblefield.

Spring flowers were used to decorate the rooms where 30 women assembled to hear the program di-

rected by Mrs. W. J. Poe. Meditation was given by Mrs. J. F. Taylor, who used a part of the fifth chapter of Matthew as her subject. Others taking part were Mrs. Joe McCrary, Mrs. Carlton, and Miss Eleanor Temple. At the conclusion of the business session, the closing prayer was given by Mrs. Moore.

A pleasant social hour was enjoyed during which delicious refreshments were served.

Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

REPORTERS: Clara Spratlen, Joyce Hudson, Mary Nell Bell, Marguerite Nobles, Norman Lassiter, Selma Hassen, W. D. Bristow, Phala Davis, Hope Cade, Charlotte Dillingham, Virginia Hampton, John Flores, Craigolene Elmore, R. A. Dean.
TYPISTS: Herbie Faye Johnston, J. C. Bledsoe, Wanda Brown.

HAMLIN STUDENTS WIN HONORS IN COUNTY MEET

Places were fairly well distributed in the Jones County Interscholastic League meet last Friday and Saturday.

Hamlin placed second in almost all literary events and third in the track meet.

Winners in the literary events were: (1) TYPING TEAM: composed of Bernice Beard, Wanda Bowen and Harold Fletcher—won second place; (2) DEBATE: Boys' Debate Team, Richard Young and D. C. Reynolds, won first place; Girls' Debate Team, Virginia Hampton and Craigolene Elmore, won second place; (3) READY WRITERS: Clara Spratlen won second place; (4) DECLAMATION: Senior boys won second, Milton Fletcher declaiming; Senior girls won second, Herbie Faye Johnston declaiming; Junior girls won third, Betty Lou York declaiming; (5) ONE-ACT PLAY won second place, cast: Phala Davis, R. A. Dean, Jack Ellison, Tommy Hill, Earl Smith, and L. B. Bruner; (6) EXTEMPORANEOUS speech: girls, second place, Pauline Locke; Boys, third place, Clem Ball; (7) VOLLEY BALL won second place. Those playing were Murle Carlton, Annie Ruth Hodnett, Chloie Miller, Mary Lee White, Bernice Beard, Beulah Rose, and Inez Joiner; (8) The H. S. TRACK TEAMS won third place in the County Track Meet recently.

The Pipers capped first place in three events. R. A. Dean won the 220-yd. dash by defeating such outstanding stars as Rust of Anson and Fuqua of Stamford. Dick Kelley won the 440 with a startling burst of speed fifteen yards from the tape. Don Coles showed his superiority in the high jump. His jump was five feet and five inches. Henry Allen and Lofton Brown won second and third respectively in the 880. Dick Kelley tabbed three more points for Hamlin when he won third place in the 220-yd. low hurdles. Jack Townley came in second in the mile.

Anson won the meet but was pushed by Stamford and Hamlin all the way.

Boys who participated for Hamlin were R. A. Dean, Don Coles, Dick Kelley, Gary Kelley, Jack Ellison, R. M. Petty, Dub Wilemon, Jack Townley, Earl Smith, Jesse Locke, Lofton Brown, and Henry Allen.

We are very proud of this record and next year plan to do everything in a bigger and better way. Just watch!

TENNIS INTERSCHOLASTIC COMPETITION IN ANSON

Representatives from various class A schools of Jones County will meet in Anson today and tomorrow to determine county champions in tennis.

In the last two years, Hamlin's success in the pat-ball industry has not been so successful, but this year

they are gunning for some titles. Bernice Beard will represent Hamlin in girl's singles. This is the second year that Bernice has entered in this event. Beulah Rose and Mary Nell Bell will shoot for a title in girls' doubles.

The boy's team is composed of Milton Fletcher and Tommy Hill. Hill will represent Hamlin in singles and Fletcher will participate with his partner who hasn't been chosen yet. Hill went to the State semi-finals in Austin when a sophomore. Let's hope both teams bring home championships.

INTERSCHOLASTIC LEAGUE EVENTS

There were 171 pupils in Hamlin High School who were active in Interscholastic League participation this year. The following record of the number who entered the various events is very interesting: Debate, 17; Ready Writers, 8; Declamation, 27; Typing, 4; Extemporaneous Speech, 25; Spelling, 5; One-Act Play, 18; Volley Ball, 37; Track, 30; Tennis, 6.

THREE STUDENTS GUESTS OF LIONS CLUB

Herbie Faye Johnston, Milton Fletcher, and Betty Lou York were guests of the Lions Club last Tuesday. They won places in the County Meet in declamation and were invited to give their declamations to the members of the Lions Club.

SENIOR CLASS HAS "SWING FEVER"

The Senior Class under the direction of Mrs. Hefflin Miller, is now working on its annual class play to be presented April 11, 1941.

The play "Swing Fever" is one of the most modern up to date plays of the current season. It deals with the younger generation's problems of jitterbugging.

The cast includes Tommy Hill, Marguerite Nobles, Joyce Hudson, Lofton Brown, Bernice Beard, Maxine Poe, Julia Pitcock, Harold Fletcher, Carl Barton, Robert Gardner, Glen D. Adkins, Ethel Bell Neal, Charlotte Dillingham, and Herbie Faye Johnston.

If you want a full evening of real entertainment, plan to see "Swing Fever" April 11.

JUNIOR-SENIOR BANQUET HELD TONIGHT

Juniors are entertaining the Seniors tonight in their annual Junior-Senior Banquet. The affair is to be held at the Methodist Church at eight o'clock March 28.

Committees for arranging the banquet were appointed about two weeks ago by Milton Fletcher, Junior president. The theme is being kept secret until tonight.

The guest list will include all Juniors and Seniors, class mothers and

fathers, and the high school faculty. Sophomore girls will serve the banquet.

PIPERS GO SNOOPING

Boy, is Milton Fletcher tight! Except when it comes to buying gasoline. Then he is a down right spendthrift.

Now, we understand why Joyce and Herbie are so well educated. They spend their Saturday nights taking lessons by observation.

Really, Johnnie, you do have nerve, but don't you think taking down the mayor's porch light is going too far?

Koleta Adkins is a wow when it comes to hiccoughs. She even surprises herself.

Ruby Herr was the envy of town Sunday. Now, Ruby, don't you think you were a wee bit selfish keeping two soldier boys all to yourself?

Although most of the Hamlin boys patronize Stamford and think it perfectly all right, your Snooper recalls last year when these same boys avoided the girls who dated out-of-town boys. Think it over, Glamour-Butches.

Mr. Morton hopes a few seniors will avoid marriage until school is out, for this bug is breaking up his civics class.

Billy Joe Burton has such a sense of humor. Of course he can't give his recipe, but he might give you a few points on "How to be the Life of the Party."

FINE ARTS PROGRAM

A program featuring the Fine Arts Departments of the Hamlin Elementary School will be presented Friday night, April 4, in the High school auditorium. The program is of a typically American theme and numbers will be given by the pupils from the Rhythm Band, Speech Class, Piano Studio, Choral Club, and the Elementary Band. A small charge will be made with the proceeds going into the fund for the furnishing of the new music practice room in the Elementary building. The program begins at 8:00 P. M.

SIX SENIORS HAVE PERFECT SPELLING PAPERS

Seniors are required to make an average of 95 or above on a list of 200 words before they can receive credit for each semester's work. Six seniors achieved the distinction of having perfect papers this semester. They are Joyce Hudson, Marguerite Nobles, Fayrene Gardner, Geneva Huling, Virginia Cozzen, and Maxine Poe.

Mr. and Mrs. B. Moseley and their niece, Mrs. L. B. Sutton and little daughter, Janice, of San Angelo, spent the week-end here as guests of Mr. and Mrs. A. A. Hackley and other Hamlin friends.

CHURCH OF CHRIST

The Bible says that "a whisperer separates chief friends." Pr. 16:28. It might be well to remember that one ounce of keep your mouth shut is worth a whole bushel of apology. "When you are discussing a neighbor,

Or a friend who is far away, Or an absent one of the family, With the caller of today, Just speak of their wisdom or kindness,

'Tis all you should care to recall; Pray do not allude to their failings— Don't speak of their faults at all."

WE would be glad to have you visit the Church of Christ and worship with us.

Minister: Luther G. Savage.

BAPTIST CHURCH

Next Sunday is the last Sunday in this quarter. We wish to urge every member of our Sunday School to be present that you may receive new literature for the next quarter. Then, too, there is always a feeling of satisfaction that accompanies the last of a job well. We want to close out this quarter with a large attendance.

Sunday morning the pastor will speak on a very important subject, "The Conviction of the Holy Spirit." Every unsaved person should hear this message that you might understand just what God has done for your salvation. Every Christian should hear this message that you might understand how God works through you in accomplishing His purposes.

Remember these services: Sunday School, 9:45.

Morning Worship, 11:00.

Training Union, 6:30.

Evening Worship, 7:30.

A New Defense Organization Formed

The Jones County Organization of Home Economists, which will be a branch of the Texas Home Economics Association, was formed last Saturday morning at a meeting held in the district court room in Anson. Purposes of the organization are to organize home economists for defense, to investigate the food, shelter and clothing problems in Jones County, and to try to counteract problems likely to arise as an outgrowth of the crisis facing this country. All women having degrees in home economics are eligible and are invited to become members. It was decided that monthly meetings will rotate among the towns of the county. The next meeting will be held in the Home Economics Cottage in Stamford on March 24th.

Officers elected at the meeting Saturday were President, Miss Ethel Rowell; Vice-President, Mrs. Gordon

Beck; Secretary-Treasurer, Miss Gladys Martin; and Reporter, Miss Frances Powell. Others attending the meeting were Misses Lee Ann Williams, Imogene Hale, Elvira Marr, Dorothy Johnson, Abbie Askew of Hawley and Mrs. Lindsey of Stamford.

John F. Green Honored At University of Texas

John F. Green, son of Mr. and Mrs. John F. Green, of Hamlin, has been elected president of Sigma Phi Epsilon fraternity at the University of Texas. John F. is a student in the University law department.

Gas Co. Pays \$378

Per Hour Taxes

Tax collectors throughout this territory have received checks from the gas company in payment of city, county, state and district taxes. The 55 different kinds of taxes paid by the Lone Star Gas System make a total of \$3,268,995 for 1940, according to company officials.

This sum is \$378 for every hour of the day and night, or more than \$8,871 for every day of the year including Sundays. This means, company officials stated, that an amount equal to the entire net revenue of the company for 183 days of the year went back to the public in taxes for school, county, city, state and Federal purposes. The sum does not include state and Federal gasoline taxes and other hidden taxes in the cost of all supplies purchased.

The tax bill of this company now amounts to 91 cents for every customer's gas bill rendered every month, the officials state. This is pointed out as significant in view of the fact that many gas service bills during six months of warm weather amount to little more than a dollar each month. The figures reveal that 15 cents out of every dollar collected from all gas customers goes to pay taxes. For 1939 the taxes amounted to 68 cents for every bill rendered every month and the taxes of the company are increasing a very substantial per cent each year.

Notice of An Election

Notice is hereby given that an election will be held at The City Hall within The City of Hamlin, Texas, on the first day of April, 1941, for the purpose of electing Two Aldermen. Said election, which shall be held as nearly as possible to conform to the general laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the statutes relating hereto.

No person shall vote at said election unless he be a qualified voter under the constitution and laws of this State.

Said election was ordered by the Mayor of the City of Hamlin, Texas.

Dated this the 1st day of March, 1941.

"Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain?

If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result for many is less periodic distress. Or you may find this also helps ease your periodic discomfort: Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

Mr. and Mrs. George Wilson and son, Jim Wilson, and daughter, Mrs. G. E. Prather, returned to their home in Leonard Monday after a pleasant visit here with their daughter and sister, Mrs. Fred Carpenter and family.

Almost **\$9,000⁰⁰** PER DAY
FOR TAXES...

During 1940 the tax bill of Lone Star Gas System amounted to \$378.00 for every hour the clock struck, day and night ... or \$8,956.15 for each of the three hundred and sixty-five days of the year. This means that an amount equal to our entire net revenue for 183 days of the year went right back to the public in the form of taxes for School, City, County, State and Federal purposes. This does not include such additional taxes as state and federal gasoline taxes and other "hidden" taxes in the cost of supplies we must buy to keep your gas service dependable. Nor does it include the thousands of additional dollars that go to tax funds from the wages of more than 3,600 Lone Star Gas System employees who pay individual taxes in the communities where they reside.

Pioneers in the development of natural gas for more than three decades, Lone Star Gas System brings to homes and industries a dependable gas service recognized as one of the world's finest and at a low cost to its customers. Year after year it has been a large taxpayer helping to provide civic advantages for the public it serves as well as to lighten the tax burden of every citizen and business.

..... **91¢** OF
EVERY CUSTOMER'S MONTHLY
GAS BILL GOES FOR TAXES

It requires an average of 91c of every customer's monthly gas bill to pay the 55 different kinds of taxes assessed against Lone Star Gas System. To meet this responsibility, 15 cents of every dollar collected for service rendered our customers goes to the payment of your gas company's taxes.

LONE STAR GAS SYSTEM

POT SHOTS FROM McCAULLEY

BY GEO. DARDEN

It looks as if McCauley motorists are getting their part of the car wrecks. Last Saturday night, Mr. and Mrs. Louis Maberry, Mr. and Mrs. Morgan Hendrickson, were in a wreck, and we were informed that Mrs. Hendrickson suffered a broken leg, and other injuries; Mr. Maberry a broken back and the four occupants of the car all received other cuts and bruises. The wreck happened between Sweetwater and Roby when the car hit a bridge.

Rev. C. E. Dick and family moved last week to their new home in McCauley, and are at home in the Baptist parsonage.

Mr. and Mrs. Fines Bartlett and Mrs. R. L. Miers made a trip to Abilene last week, and also visited Camp Barkeley.

Camp Barkeley is open to visitors on Saturdays and Sundays and we are sure that you will enjoy driving through the camp, and those that have been through the camp have expressed their desire to come back again. Soldiers at Camp Barkeley are a fine bunch of Americans.

Today in Abilene it is raining and it looks now like this would be a good place for a submarine base.

Work at Camp Barkeley has about come to a halt. There have been hundreds of men layed off within the last few days and we imagine that our work here will all be over with in the next three weeks.

Mr. and Mrs. Pete Humphries visited home folks in McCauley last Sunday. They are making their

home in Abilene at present where Pete is employed at Camp Barkeley.

Joe Hunter spent the week end in Abilene visiting friends and relatives.

Folks, it rained so much here of late we were unable to get much local news when we were home over the week end, and will appreciate any news that you will send us that should go in this column.

O-O-O-O

Strikes and more strikes seem to be holding up production of vital war materials. We believe in organized labor, but when our government needs the co-operation of every citizen in a war torn world, then we think it's time for the government to take over labor if and when the labor unions take advantage of the government. It looks as if the C. I. O. is hell bent on slowing up production in some cases, and we do not believe that a few C. I. O. leaders should tell the workers what they must do, in fact, we are inclined to believe that there are a number of labor leaders within these United States who need to be deported. Labor gets a better deal in America than anywhere else in the world. Life, liberty and the pursuit of happiness means more to our citizens than some might have us believe. Deport all un-Americans and our form of government will survive.

A DARDEN-O-GRAM

NOTICE

All home economists of the county are urged to contact either Mrs. Mabel Lindsey of Stamford, Miss Debbie Askew of Hawley or Miss Gladys Martin of Anson. These women were appointed a committee for this purpose at a meeting of the Jones County Association of Home Economists held in Stamford Monday night.

Tentative purposes of the newly

formed organization are (1) gaining information on civic affairs, (2) promotion of understanding between home economics agencies, (3) adjusting the work to emergency needs and (4) mobilization of all home economists.

Next meeting of the group will be held April 17th at the NYA Residence Center in Anson. —Reporter.

Dr. Robert Johnson, of Dallas, spent the week-end here with his parents, Mr. and Mrs. W. F. Johnson.

BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

Rev. J. D. Vaughan filled the pulpit at the Baptist Church Sunday morning and evening.

Mr. and Mrs. Tom Carter were in Abilene Thursday of last week on business.

Singing at J. P. Bingham's last Wednesday night was well attended. There were several visitors. Special numbers were given by the "Day Quartet", Miss Imelda Price, Mrs. Clarence Whittenburg, Mrs. James Ferguson, and Mrs. Day. The next singing in our community will be in the home of Mr. and Mrs. Shannon Carter Wednesday night, April 2.

Mr. and Mrs. T. W. Flenniken spent Sunday with Mr. and Mrs. J. P. Cornelius.

Mr. and Mrs. Foye Rogers spent the week end in Merkel with Mr. and Mrs. Hodges.

Mr. and Mrs. Jeff Brinkley, of Anson, spent Wednesday of last week with Mrs. Lee Ward and family.

Mr. and Mrs. O. C. Estes had as their guests Sunday Mr. and Mrs. R. L. Milstead, Mr. and Mrs. Eric Crow and daughter, and Mr. and Mrs. H. C. Fail and Thomas.

Mr. and Mrs. Carroll Cory, of Coleman, are visiting their parents, Mr. and Mrs. Tom Cory.

Grandma Brown, mother of Earl Brown and Mrs. Sam Tindal, left Saturday for points in East Texas, where she plans to spend the summer.

Mmes. Sam Tindal, Earl Brown, and Charley Bingham were shopping in Abilene Saturday.

Miss Filena Kelley, who is working in Abilene, spent the week end with her parents, Mr. and Mrs. V. R. Kelley.

Mr. and Mrs. Vivian Madden, of Histon, spent Sunday with Mr. and Mrs. Judge Crow.

W. A. O'Neal and daughter, Miss Nancy, of Gorman, are here this week visiting Mr. and Mrs. John O'Neal, of this city, and Mr. and Mrs. Thompson Young, of the Boyd Chapel Community.

BUT on your car any halfway job is a botch. The engine's full of poison, remember, as long as it's full of scratchy Winter oil. Today then, drain and re-fill for Spring. . . But be more than half fair to yourself and your engine. . . Get it drained, refilled and Oil-Plated besides—all at the one same cost—all in mere minutes, at Your Mileage Merchant's Conoco station.

His Germ Processed oil—patented—contains a man-made extra "energizer." This bonds OIL-PLATING to working parts as closely as the plating on body parts. Then OIL-PLATING can't all drain

down. As long as you use Germ Processed oil, the OIL-PLATING stays plated up—every mile—every hour at the curb—or standing overnight. That's why your OIL-PLATED engine is protected in advance against the worst old starting wear. . . much as if Germ Processed oil hadn't even quit circulating!

Likewise, when sun and speedometer both swing high, the OIL-PLATING stays plated up against needless wear. And that's more than half of the battle for oil economy. Change to Conoco Germ Processed oil that OIL-PLATES. Today! Continental Oil Company
